

Project: Novel Theme Analysis

Question: Can you pinpoint when a certain topic becomes widespread, and identify if there was a catalyst novel?

- for example did system books become popular after solo leveling or because of solo leveling

Goal 1: Chart the popular themes for books on sites such as Royal Road, WuxiaWorld, a **Goal 2:** Try and identify the books that caused that shift and prove that they caused that shift

Sprint 1:

Figure out how to get the following data

- Novel title
- Tags/ genre
- Release date

Steps to accomplish this task

- Web scrapping?
- Find Relevant Api's
